Be a Featured Artist for one Month.

- Three to four artists will be featured at an open house reception the first Thursday of each month from 4:30 to 6:30pm. At the reception each artist will have 5 to 10 minutes to discuss artwork and inspiration. During the featured artist month, the opportunity will be given to display artwork at the front of the gallery. These spaces allow additional artwork to be displayed. As a featured artist, attendance is expected at the reception in your honor, you are required to share in the cost of refreshments, and to help with the clean-up after the reception.
- When bringing in new artwork to be displayed, it is important that you send an email to artistinresidencegallery@gmail.com to have wall cards made 5 days in advance (include name of piece, medium, and price). Also, when sending new images of your artwork to be displayed on Facebook or Instagram, please send them to artistinresidencegallery@gmail.com.

Abide by the guidelines established for exhibiting artwork.

- All hanging artwork must be tagged with an AIR sales tag and a barcode on the back in order for the sale to be processed. Wall cards are required for all hanging items. Wall cards must be requested in advance from artistinresidencegallery@gmail.com.
- Be careful attaching barcodes. Tape, wrinkles, or writing on the barcodes interfere with scanning. Any item missing a barcode cannot be sold.
- Barcodes must be requested at artistinresidencegallery@gmail.com using the gallery provided spreadsheet.
- All work for the walls must be attractively framed, front and back, and prepared for secure hanging. Wire on back preferred.
- Gallery wrapped canvas is required if not framed.
- AIR price tags and barcodes must be attached to all three-dimensional art.
- Price tags are provided at the gallery.
- Each artist has an individual space and is limited to that space.
- Members' work is rotated each month on the Sunday preceding the featured artists' reception. This will include moving the work of the previous and next featured artists' work and moving other members' work as needed to maintain a fresh look in the gallery. As a result, art location may be rotated periodically. All work displayed will be for sale with the exception of your featured month, where additional NFS items may be displayed.
- Abide by all space and display expectations and limitations.
- Content created by Artificial Intelligence (AI) is not allowed by the AIR Gallery. The processes by which these images are obtained do not meet the intent, tradition, or spirit of the Artist in Residence Gallery.

Provide an Artist's Biography, Artist's Statement, and Images of Artist's Work in digital format.

- The artist biography will be used to provide information about the artist which may be used in promoting artwork and the gallery. It will also be on display in the **artist bio's notebook** in the gallery. In addition, artists need to provide an artist statement to be used in PR, social media, and for featured artist.
